Hi Forklift Fans!

Just a last minute, **URGENT** request: we need volunteers this Saturday! If you have been thinking about volunteering for a while, now is the time to do it - you will really make a difference.

One of our staff members will be out, so we'll be short-handed helping customers...but we've also been invited to two festivals! Festivals are a great chance for us to spread the word about the benefits of reuse, so we don't want to miss them. Because it's so important to round up some help, we are offering **DOUBLE STORE CREDIT** on Saturday. That's right, you can earn \$10 in store credit for every hour you volunteer.

Let me know ASAP if you can help out! You can reach me at 301-985-5180, or Ruthie@CommunityForklift.com. Send me your phone number, name, and let me know if you have completed an orientation already (not required).

Wanna be interviewed by White House staff?

Can you talk about how you benefit from Community Forklift?

We've just learned that we may be featured in a video - it is being developed by presidential staff to highlight green businesses and jobs. We are looking for folks who are willing to be interviewed here at the warehouse. We are especially interested in business owners, but all stories will be considered. If you can talk about how you have saved money, or pleased clients, by donating or shopping at Community Forklift, please send an email to Ruthie@CommunityForklift.com
