save energy and to save the Chesapeake. Of course, that means saving money, too. To those ends, it carries products ranging from dimmable compact flourescents to energy cost monitors, natural mosquito repellents, and green wall panels. It opened its doors on Wednesday, August 6, 2008. Ellen, its manager/owner says "New products are coming in every day as we prepare for our Grand Opening in September. If you do not see something you are looking for, just ask."

The Moore family of Alexandria, Virginia could not wait to buy DEET-free mosquito repellent for 3 year-old Bailey's pool party. Armando welcomed them as Urban Solar Solutions' first customers in its new location on Sunday 8/3.

Support our good work!

Community Forklift supports and lifts up our community. We need your help to sustain our good work. The economy and the road closing have greatly impacted sales. Please show us how much you care and send us a donation! Send a check made out to Sustainable Community Initiatives (our parent non profit corporation) and send to: SCI, 4671 Tanglewood Drive, Hyattsville, MD 20781.

Life handed us lemons,

so we need to make lemonade!

The railroad tracks near our warehouse are undergoing construction, so periodically they've been closing part of our street, Tanglewood Drive. It is still very easy to get to us from Kenilworth Avenue, but unfortunately, some days there is a "Road Closed to Thru Traffic" sign that is confusing and scaring folks away (Please go to <http://www.communityforklift.com/directions.cfm> for detailed directions around the closure. Ignore the map - just follow the printed directions).

This is a serious problem, because customers are having trouble finding us. We're not sure how long it's going to be blocked. It's especially bad timing because we should be very busy in mid-summer. The money we make in August helps to carry us through the slow winter - so if the railroad work hurts our sales now, it may cause big problems for us later!

So, we're hoping our Forklift Fans will help us out, especially if we sweeten the deal for you!

1) Come shopping this week! There will be free lemonade, and you can SAVE 10% if you print out the coupon below! (Please go to <http://www.communityforklift.com/directions.cfm> for detailed directions around the closure. Ignore the map - just follow the printed directions)

2) Volunteer to act silly, and you'll receive TRIPLE STORE CREDIT! That's right, you'll earn \$15 AN HOUR in store credit if you wear a sandwich board, wave a sign, or attract attention at the end of the street (You may get a bonus if you bring a costume - perhaps a house, or a giant hammer?) Perfect for high schoolers who need community service hours. We particularly need help this Saturday, August 9, but any time is appreciated. Please contact Ruthie at 301-904-7579, send an email to Ruthie@CommunityForklift.com, or just show up during store hours!

CONGRATULATIONS - our first twins!

Lisa Ogle, CF volunteer extraordinaire and her partner, Martin, are the proud parents of twins born Saturday, August 2! We look forward to meeting Cyrus Daniel Ogle and Linnea Alice Ogle, our newest Forklift Fans!

Save 10%

Bring in this coupon, help us laugh about the railroad situation, and get 10% off your next purchase at Community Forklift!

Print out the coupon, and do one of the following at the checkout:

- Sing a train song ("I've Been Working On The Railroad" is Ruthie's favorite)
- Wear overalls or a conductor's hat!
- Make train noises or blow a whistle!

- Show us your favorite train toy!
- Dress like a hobo!

(One discount per household - may not be combined with other offers or used more than once.
Coupon cannot be used for Nature Neutral or consignment products. Expires 8-31-08.)
