Call for Volunteers!

Did you know that Community Forklift needs volunteers to work in our office as well as on the warehouse floor? If you have an interest in helping us make phone calls, catch up with data entry, sort & price tools, do pricing research, or more -- please call Ruthie at 301-985-5180, or just stop by the warehouse during business hours! We'd love to have your help!

**Dang it,
They're at it
again!**

The railroad tracks near

our warehouse are undergoing construction, so periodically they've been closing our street, Tanglewood Drive. It is still very easy to get to us from Kenilworth Avenue, but unfortunately, for most of September there will be a "Road Closed to Thru Traffic" sign that might confuse and scare folks away (Please go to www.communityforklift.com/directions.cfm for detailed directions around the closure. Ignore the map - just follow the printed directions).

Support our good work!

Community Forklift supports and lifts up our community. We need your help to sustain our good work. The economy and the road closing have greatly impacted sales. Please show us how much you care and send us a donation! Send a check made out to Sustainable Community Initiatives (our parent non profit corporation) and send to: SCI, 4671 Tanglewood Drive, Hyattsville, MD 20781.
